

# Project

# 100

From Battery NEXUS.

Helping build a battery value-chain.

**You research.**

**You engineer.**

**You design.**

**You test.**

**You produce.**

**We recruit.**

**Without placement fees.**

**Precursors to recycling to electrification.**

**Hardware & software.**

**Europe & North America.**

**We're a source of direct candidates for you and your internal talent team.**

**Why are we doing this?**

# Project 100

We've built **valuable networks** of battery & electrification talent.

Which we want you to **use as part of your direct recruitment strategy.**

Our way of helping to build a battery value-chain.

  
**More specifically.**

# Project 100

**By removing placement fees  
we're enabling you to reach  
an optimal audience...**

**Your network combined with  
ours...**

**Each & every time you recruit.**

**Because our candidates  
become your direct  
applicants.**

**How.** 

# Project 100

**Leverage our networks,  
advertising spend &  
sector knowledge via  
subscription or small  
commitment fees.**

**Plus we'll use our market  
intelligence to introduce  
your company to  
potential suppliers,  
customers & investors.**

  
Our networks.

# Project 100

**Our networks > your direct candidates:**

**EV & BESS applications throughout EU, UK & US.**

**Battery & electrification R&D, design, test, integration, manufacturing & assembly, including:**

- **Cell materials refining, R&D&I**
- **Cell component manufacturing**
- **Cell design**
- **Cell assembly & recycling process engineering**
- **(Line & lab) Equipment design & build**
- **Module & pack design**
- **BMS software & hardware**
- **PEMD (power electronics, machines & drives)**
- **Powertrain / SES system design & integration**

**Become part  
of Project100.**

# Project 100

**Start the conversation.**

**[hello@batterynexus.com](mailto:hello@batterynexus.com)**

**Incorporate our talent  
networks into your  
direct recruitment  
strategy.**

**Plus B2B introductions.**

**Helping you to build a  
battery value-chain.**

**This is your  
NEXUS  
Advantage**
